

# Breast Surgery Fellowship Program

Chennai Breast Centre, a dedicated breast health facility, invites applications for a 6-month Fellowship in Breast Oncoplastic Surgery. This Fellowship offers immersive, hands-on training in comprehensive breast cancer management – from diagnosis to oncoplastic reconstruction.

Gain real-world surgical and multidisciplinary experience at Chennai's premier one-stop breast centre.

## Mentorship and Learning

**Guidance by Expert Faculty:** One-on-one mentorship under Dr. Selvi Radhakrishna, Senior Consultant Oncoplastic Surgeon with 20+ years of experience in breast surgery and integrated breast care.

**Holistic Exposure:** Experience the full spectrum of breast surgery, imaging, and pathology, integrated into patient-centred care.

**Multidisciplinary Collaboration:** Participate in case discussions and planning with breast radiologists, pathologists, medical and radiation oncologists, and reconstructive surgeons.

**Skill Development:** Enhance surgical decision-making, oncoplastic techniques, and aesthetic outcomes in breast conservation and reconstruction.

## Fellowship Overview

**Duration:** 6 months

**Intake:** One fellow per batch

**Eligibility:** MS/DNB General Surgeons with 1 year of work experience in general surgery or surgical oncology (post completion of MS) with interest in breast oncoplastic surgery and comprehensive breast care.

**Start Dates:** January 1st and June 1st

**Location:** Chennai Breast Centre, Chennai

**Certification:** Issued by Chennai Breast Centre

## Learning Outcomes

---

- Master principles and practice of oncoplastic breast surgery
- Learn patient selection and individualised surgical planning
- Understand multidisciplinary decision-making in breast oncology
- Exposure to breast imaging correlation and pathology integration
- Participate in academic activities, tumour boards, and research

Send your **CV** along with a **filled-in application form** and a **brief statement** of interest to:
